

# **AFRICAN JOURNAL OF SCIENCE AND NATURE (AJSN)**

**An official Science Based Journal of Olabisi Onabanjo  
University, Ago Iwoye,**

## **GENERAL POLICY**

*African Journal of Science and Nature* is a bi-annual multi-disciplinary journal publishing original peer-reviewed papers that move beyond the shore of this nation in all fields of Science (Pure and Applied).

The objective of the journal is to provide a forum for academics and professionals to share the latest development and advancements in knowledge and practice of their different fields.

The journal aims at fostering the exchange of ideas on a range of important policy and developmental subjects, and provide stimulus for research in the fields of Science (Pure and Applied) in Africa.

All articles would be refereed and will particularly concentrate on empirical studies with practical application, theoretical and methodological developments as well as reviews of the literature in the concerned fields.

## **Editorial Board**

Editor	Prof. O. A. Lawal
Associate Editors	Prof. L. O. A. Thanni Prof.G.A Adenuga Dr H.A Awojobi Dr. L. S. Kassim Dr(Mrs) Ogundahunsi Dr. T. A. Ogunlesi Mr. S. Okotie
Business Manager	Mr. Niyi Oduwole

## **SUBMISSION**

Authors are invited to submit three hard copies of their papers to:

*Editor,*  
*African Journal of Science and Nature,*  
**c/o Deputy Vice-Chancellor's Office,  
Olabisi Onabanjo University, Ago-  
Iwoye, Nigeria.**

**Submission could also be done through e- mail at the following addresses**

**E-mail:** [editor.ajsn@oouagoiwoye.edu.ng](mailto:editor.ajsn@oouagoiwoye.edu.ng) and [editor.ajsnouagoiwoye@gmail.com](mailto:editor.ajsnouagoiwoye@gmail.com)

Ensure that the soft copy and hard copy match exactly. Keep a backup for reference and safety.

All articles submitted to the Journal must be original and should in no way violate any existing copyright law and should contain nothing of a libelous or scandalous nature. The Editorial Board decision is final.

## **ORGANISATION OF THE MANUSCRIPTS**

The articles should be in good grammatical English. All pages should be numbered consecutively, with page numbers at the bottom center. The first line of each paragraph in the text and of all captions should be indented

Manuscripts should be typed in Times New romans font, 12 points, single-spacing on one side of A4 paper with 2.5cm margins and should be accompanied by:

**Title:** Capital letters.

**Authors:** Full Name (Surname first) and address (including institutional affiliation, of author(s).

**Abstract:** An abstract of not more than 250 words that includes objectives, methods, and results and conclusions.

**Keywords:** A maximum of 8 key words or phrases to be used for indexing purposes.

**Introduction:** Should briefly indicate the objectives of the study and provide enough background information to clarify why the study was undertaken including citations

**Materials and Methods:** Should be brief but sufficient to allow other investigators to repeat the research including citations where necessary

**Results:** This section should present clearly but succinctly the experimental findings. Only results essential to establish the main points of the work should be included

**Discussion and Conclusion:** Including citations in discussion

**Acknowledgments:** Provide information sufficient to identify sources of support, technical assistance, and Intellectual contributions not associated with authorship.

**References:** Each citation in the text must be noted by surname and year .in parentheses and must appear in the reference section, as alphabetic order. Example for citation in the text; a) for single author (John, 2014), b) for two authors (Good and Fine, 2001), c) more than two authors (Sule *et al.*, 2000).

## **TABLES AND FIGURES**

Each table must have its title and each figure, its caption. Figures and tables must be in serial number (Fig. 1, Table 1, etc.). Tables (with titles) and figures (with captions) must be separated from the text and put at the end of the manuscript.

Artwork should be of good quality photocopies, blue ink or pencil is not acceptable.

Letters in the artwork must be quite readable after reduction. Original line drawing and two clear copies should be submitted.

## REFERENCES

The manuscript should include a reference list containing only those references cited in the text. The references should be typed in single-spacing and arranged in alphabetical order according to the name of the first author. Works by the same author should be listed in order of publication.

References should follow the current APA format.

**NOTE:** All citations must be in the Hanging Indent Format with the first line flush to the left margin and all other lines indented.

## OTHER GUIDELINES

Once accepted, the articles can only be submitted to another journal or published in any other form with the consent of the Editor. Copyright of an article published in the journal belongs to the journal, which reserves the right to publish it in a form of language of its choice.

Authors should provide the necessary permission for the publication of any copyright material they wish to include in their articles. Articles accepted for publication are thoroughly edited.

The editing may go as far as compressing the text and/or suppressing tables and illustrations.

The Editorial Board reserves the right to communicate with only authors whose articles are accepted.

To defray the cost of processing articles and publishing the journal, contributors are asked to make a contribution. Currently, it is N5,000.00 for processing articles and N10,000.00 for publishing (or the dollar equivalents).
